

Printing date 30.04.2019

Revision: 30.04.2019

Not classified as hazardous according to criteria of Australian Safety and Compensation Council.

Ia	lentification
· Pi	roduct identifier
· Tı	rade name: STD 1 MG/L MAGNESIUM IN 2% HCL
	rticle number: N9304243
· Re	elevant identified uses of the substance or mixture and uses advised against
	o further relevant information available.
· Aj	pplication of the substance / the mixture Laboratory chemicals
	etails of the supplier of the safety data sheet anufacturer/Supplier:
Pe	erkinElmer, Inc.
	10 Bridgeport Avenue
	nelton, Connecticut 06484 USA
	ustomerCareUS@perkinelmer.com

Revision: 30.04.2019

(Contd. of page 1)

### Trade name: STD 1 MG/L MAGNESIUM IN 2% HCL

· vPvB: Not applicable.

# 3 Composition and Information on Ingredients

#### · Chemical characterisation: Mixtures

· Description: Mixture of substances listed below with nonhazardous additions.

· Dangerous	components:
7647-01-0	Hvdrochloric Acid

7647-01-0	Hydrochloric Acid	<ul> <li>Skin Corr. 1, H314; Eye Dam. 1, H31</li> <li>Acute Tox. 4, H302; STOT SE 3, H33.</li> </ul>	8 2.0%	
· Additional Components				
7439-95-4	magnesium	🚸 Pyr. Sol. 1, H250; Water-react. 1, H260	0.0001%	
7732-18-5	Water		97.9999%	
• Additional information: For the wording of the listed hazard phrases refer to section 16.				

## **4** First Aid Measures

- · Description of first aid measures
- · General information: No special measures required.
- After inhalation: Supply fresh air; consult doctor in case of complaints.
- After skin contact: Generally the product does not irritate the skin.
- After eye contact: Rinse opened eye for several minutes under running water.
- · After swallowing: If symptoms persist consult doctor.
- Most important symptoms and effects, both acute and delayed No further relevant information available.
- · Indication of any immediate medical attention and special treatment needed

No further relevant information available.

## **5** Fire Fighting Measures

· Extinguishing media

- Suitable extinguishing agents: Use fire extinguishing methods suitable to surrounding conditions.
- Special hazards arising from the substance or mixture No further relevant information available.
- · Advice for firefighters
- · Protective equipment: No special measures required.

## 6 Accidental Release Measures

- · Personal precautions, protective equipment and emergency procedures Not required.
- $\cdot \textit{Environmental precautions: } Do not allow to enter sewers/surface or ground water.$
- *Methods and material for containment and cleaning up:* Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust).
- · Reference to other sections
- See Section 7 for information on safe handling.

See Section 8 for information on personal protection equipment.

(Contd. on page 3)

AU

Printing date 30.04.2019

Revision: 30.04.2019

(Contd. of page 2)

### Trade name: STD 1 MG/L MAGNESIUM IN 2% HCL

See Section 13 for disposal information.

## 7 Handling and Storage

- · Handling:
- Precautions for safe handling No special measures required.
- · Information about fire and explosion protection: No special measures required.
- · Conditions for safe storage, including any incompatibilities
- Storage:
- **Requirements to be met by storerooms and receptacles:** No special requirements.
- · Information about storage in one common storage facility: Not required.
- Further information about storage conditions: None.
- *Specific end use(s)* No further relevant information available.

### 8 Exposure controls and personal protection

- · Additional information about design of technical facilities: No further data; see item 7.
- · Control parameters

· Ingredients with limit values that require monitoring at the workplace:

### 7647-01-0 Hydrochloric Acid

NES Peak limitation: 7.5 mg/m<sup>3</sup>, 5 ppm

WES Peak limitation: 7.5 mg/m<sup>3</sup>, 5 ppm

- · Additional information: The lists valid during the making were used as basis.
- Exposure controls
- · Personal protective equipment:
- General protective and hygienic measures:
- The usual precautionary measures are to be adhered to when handling chemicals.
- **Respiratory protection:** Not required.
- Protection of hands:
- The glove material has to be impermeable and resistant to the product/ the substance/ the preparation.
- Selection of the glove material on consideration of the penetration times, rates of diffusion and the degradation *Material of gloves*

The selection of the suitable gloves does not only depend on the material, but also on further marks of quality and varies from manufacturer to manufacturer. As the product is a preparation of several substances, the resistance of the glove material can not be calculated in advance and has therefore to be checked prior to the application.

• Penetration time of glove material

The exact break trough time has to be found out by the manufacturer of the protective gloves and has to be observed.

· Eye protection: Goggles recommended during refilling

Revision: 30.04.2019

## Trade name: STD 1 MG/L MAGNESIUM IN 2% HCL

(Contd. of page 3)

Information on basic physical and cher	nical properties		
General Information			
Appearance:			
Form:	Liquid		
Colour:	Dark brown		
Odour:	Characteristic		
Odour threshold:	Not determined.		
pH-value:	Not determined.		
Change in condition			
Melting point/freezing point:	Undetermined.		
Initial boiling point and boiling range	2: 100 °C		
Flash point:	Not applicable.		
Flammability (solid, gas):	Not applicable.		
Decomposition temperature:	Not determined.		
Auto-ignition temperature:	Product is not selfigniting.		
Explosive properties:	Product does not present an explosion hazard. Not determined.		
Explosion limits:			
Lower:	Not determined.		
Upper:	Not determined.		
Vapour pressure at 20 •C:	23 hPa		
Density at 20 °C:	$1.003 \ g/cm^3$		
Relative density	Not determined.		
Vapour density	Not determined.		
Evaporation rate	Not determined.		
Solubility in / Miscibility with			
water:	Not miscible or difficult to mix.		
Partition coefficient: n-octanol/water:	Not determined.		
Viscosity:			
Dynamic:	Not determined.		
Kinematic:	Not determined.		
Solvent content:			
Water:	98.0 %		
Solids content:	0.0 %		
Other information	No further relevant information available.		

# 10 Stability and Reactivity

· Reactivity No further relevant information available.

(Contd. on page 5)

AU

Printing date 30.04.2019

Revision: 30.04.2019

(Contd. of page 4)

### Trade name: STD 1 MG/L MAGNESIUM IN 2% HCL

· Chemical stability

- Thermal decomposition / conditions to be avoided: No decomposition if used according to specifications.
- · Possibility of hazardous reactions No dangerous reactions known.
- Conditions to avoid No further relevant information available.
- *Incompatible materials:* No further relevant information available.
- · Hazardous decomposition products: No dangerous decomposition products known.

## 11 Toxicological Information

- · Information on toxicological effects
- · Acute toxicity
- Primary irritant effect:
- Skin corrosion/irritation No irritant effect.
- · Serious eye damage/irritation No irritating effect.
- Respiratory or skin sensitisation No sensitising effects known.
- · Additional toxicological information:

The product is not subject to classification according to the calculation method of the General EU Classification Guidelines for Preparations as issued in the latest version.

When used and handled according to specifications, the product does not have any harmful effects to our experience and the information provided to us.

## **12 Ecological Information**

- · Toxicity
- · Aquatic toxicity: No further relevant information available.
- · Persistence and degradability No further relevant information available.
- · Behaviour in environmental systems:
- · Bioaccumulative potential No further relevant information available.
- *Mobility in soil* No further relevant information available.
- Additional ecological information:
- · General notes: Not hazardous for water.
- · Results of PBT and vPvB assessment
- · **PBT:** Not applicable.
- · vPvB: Not applicable.
- · Other adverse effects No further relevant information available.

# 13 Disposal considerations

- · Waste treatment methods
- Recommendation Smaller quantities can be disposed of with household waste.
- Uncleaned packaging:
- · Recommendation: Disposal must be made according to official regulations.

(Contd. on page 6)

Transport information	
UN-Number ADG, IMDG, IATA	Void
UN proper shipping name ADG, IMDG, IATA	Void
Transport hazard class(es)	
ADG, ADN, IMDG, IATA Class	Void
Packing group ADG, IMDG, IATA	Void
Environmental hazards:	Not applicable.
Special precautions for user	Not applicable.
Transport in bulk according to Annex I and the IBC Code	<b>I of Marpol</b> Not applicable.
UN "Model Regulation":	Non regulated according to above specifications. Void

5 Regulato	ry information		
· Safety, hea	lth and environmental regulati	ons/legislation specific for the substance or mixture	
7732-18-5	Water		97.9999%
7647-01-0	Hydrochloric Acid	<ul> <li>Skin Corr. 1, H314; Eye Dam. 1, H318</li> <li>Acute Tox. 4, H302; STOT SE 3, H335</li> </ul>	2.0%
7439-95-4	magnesium	𝕎 Pyr. Sol. 1, H250; Water-react. 1, H260	0.0001%

· Directive 2012/18/EU

· Named dangerous substances - ANNEX I None of the ingredients is listed.

· National regulations:

· Waterhazard class: Generally not hazardous for water.

• Chemical safety assessment: A Chemical Safety Assessment has not been carried out.

# 16 Other information

Disclaimer

The information provided in this Material Safety Data Sheet is based on our present knowledge, and believed to be correct at the date of publication. However, no representation is made concerning its accuracy and completeness. It is intended as guidance only, and is not to be considered a warranty or quality specification. All materials may present unknown hazards, and should be used with caution. Although certain hazards are described, we cannot guarantee that these are the only hazards which exist. PerkinElmer Life and Analytical Sciences shall not be held liable for any damage resulting from handling or from contact with the product.
