ACCELERATING DRUG DISCOVERY WITH WALKAWAY AUTOMATION

Optimize your workflow to set your lab up for success. Walkaway automation enables you to focus more on your research and less on plate management.

Better Plates for Better Results

- More Plates per Run
- Increased Throughput
- Faster Turnaround Times

Expand Your Research

- Walkaway Automation
  - CIP 96-Well
  - Crystal 96-Well
  - Walkaway 96-Well
- High Throughput
- Improved Efficiency
- Streamlined Workflows

Future-Proof Your Lab

- Increase Productivity
  - Victor® Nivo™ and Stack
  - Future-Proof Your Lab
  - Increased Productivity

Research & Discovery

- Software and Analysis
- OA/QC
- Solutions
  - Therapeutics
  - Applications

We Perform Validation and Qualification Services:
- Installation Qualification (IQ)
- Operational Qualification (OQ)
- Performance Qualification (PQ)

Increased Security Software
- Improves Security and Compliance
